U. S. ATOMIC ENERGY COMMISSION
GAS RIGUE OPERATIONS

U. S. ATOMIC ENERGY COMMISSION
WASHINGTON, D. C.
TO: C. L. MARSHALL, DIRECTOR
DIVISION OF CLASSIFICATION

WE WOULD REQUEST THAT YOU FWD THIS TO L. E. MICHENER AND
H. H. ROTH, NO PERTIN, SUBJECT QUOTE DRAFT CLASSIFICATION GUIDE FOR THE GAS
RIGUE PROGRAM REQUEST. WE CONCURE WITH YOUR DRAFT GUIDE WITH THE FOLLOWING
EXCEPTIONS CONCERN SECTION 1.4 DASH WE QUESTION WHETHER WORK DONE BY CSIPPE AT
UNIVERSITY OF VIRGINIA SHOULD BE DESIGNATED AS OFFICIAL USE ONLY. MUCH OF
INFORMATION HAS ALREADY BEEN PUBLISHED ON RECLASSIFIED BASIS AND CANNOT BE
REMOVED. THE OTHER DESIGNATION IS CONCERNED WITH THE INFORMATION CONCERNING
THE COMPUTER PROGRAMS WHICH ARE USED IN THE COMPUTER SYSTEM. SECTION 2.1 DASH
MR. MICHENER ADVISED US BY RECOMMENDED CHANGING SECTION TO READ QUOTE
THEIRATICAL MATHEMATICAL MODELS AND GENERAL HYDRODYNAMICAL FLows USED TO
STUDY CERTAIN ROTATING MECHANICAL SYSTEMS UNQUOTE. WE THINK THIS IS A
POTENTIAL EXPRESSION OF INTENT OF THE SECTION AND SERVES TO DIFFERENTIATE IT
FROM SECTION 2.2 DASH REF GRS. GRB. DASH
